We are pleased to offer the following volunteer opportunities for those seeking a limited number of service hours. Please select those opportunities you wish to be considered for at this time.

Cat Adoption Technician Assistant – Provide hands on care for our felines by cleaning cages and litterboxes, helping with laundry and washing dishes, and sneaking in some snuggles!

Kennel Crew – If cleaning and organization is your thing than this is a job for you! Provide our animals with fresh toys and blankets, and assist with laundry/dishes/sweeping and mopping.

General Maintenance – Keeping the inside and outside of an animal shelter can be quite tedious. Help us out by raking leaves, pulling weeds, sweeping and mopping our lobby and hallway areas, or other general daily cleaning duties.

Gift Drive – It takes a lot of supplies to provide such care! By organizing a gift drive and donating items from our wish list, you will directly help animals.

Shelter Animal Photographer – If you have your own DSLR camera and a talent for photography, than we want you! Help showcase our adoptable pets through flattering pictures to be used for our website, social media, and promotional purposes.

Community Outreach Volunteer – Represent the organization in the community at various events and help spread information about our adoption services, pet retention programs, and Humane Veterinary Hospital services.
