

RESCUE READERS VOLUNTEER AGREEMENT

Welcome Humane Pennsylvania's Rescue Reader Program. We are excited to have you participate in our program. Our adoptable cats are anxiously awaiting your visit and are looking forward to the story you are about to read to them. Every time you visit our shelter and participate in our Rescue Reader program, our staff will punch your Rescue Reader's Volunteer Card. After 5 visits, you are welcome to pick a prize from the Rescue Reader's Prize Bin.

Before you get started, we have just a few rules we ask you and your parent to review so that we can ensure a safe and happy visit.

1. Please use hand sanitizer before and after your visit. Just like us humans, cats can share colds and other illnesses with one another and we want to keep you and our adoptable friends safe and healthy. Please note that while our adoptable cats are monitored daily by our staff for illness, it is possible for symptoms of certain illnesses to not appear right away and these illnesses (such as an upper respiratory infection) can be transferred to your cats at home. Hand washing is very important to prevent the spread of illness amongst cats both in our shelter and in your home. Please speak with our staff if you have any questions or concerns.
2. When you enter the room, please do so calmly and quietly. Choose a comfy spot to sit and let the cats approach you. While you are in the room, please do not yell or scream, cats prefer a quiet indoor voice.
3. Please do not approach the cats or chase after them at any time. Let them come sit with you on their own. Do not pull on their tails or ears, or pet them too hard. Gentle strokes are enjoyed greatly.
4. Please do not play in their food bowls or water bowls.
